# BIG AI ADVANCES

**The race is on**  
to turn the promise of artificial intelligence (AI) into market success!

IDC predicts a

**\$47B** market for AI by 2020.

CB Insights says **over 200 AI-focused companies**

**raised nearly \$1.5B**

in equity funding by June 2016.

**7 major companies are racing to dominate AI**

including Microsoft, Amazon, IBM, Alphabet (Google), Baidu, Apple, and Facebook.

KPMG recently launched a dedicated robotic process automation practice group.

How will AI impact how we approach talent and business in the future?
